

The Earl I Adore: A Prelude to a Kiss Novel

Sophie Wembley is about to discover two hard truths: When planning a rushed betrothal, one must not be picky; and when the perfect earl happens by, one must not be shy. After receiving word that her sister has eloped, even ever-optimistic Sophie has trouble staying positive. She needs to secure her future before the scandal destroys her prospects, although she doesn't relish the idea of a hasty marriage. But her longtime crush has just shown up for the summer festival in Bath. He may be the key to avoiding disgrace and getting a happily ever after if she can bring herself to pursue him. John Evan Fairfax, Earl of Evansleigh, is one of the most popular bachelors in the ton. However, his easygoing ways hide a dark past he's determined to keep secret. Evan has always kept acquaintances at arms length for self-preservation, but there's something irresistible about Sophie and her seductive charms may well sway the confirmed bachelor to seize a chance at love.
