

Resorts of the Maldives: The Definitive Guide

You've got over 100 resorts in the Maldives to choose from. Which is the right one for you? There are many sources of information and advice out there, sometimes too many. It can be difficult to sort through the noise to find what's valuable. At these times, a single, trusted voice can save you months of research and worry, as well as the price of a holiday on the wrong resort. Adrian Neville has been doing the research for 20 years. He is possibly the only person in the world who has visited, photographed and reviewed every single resort in the country. He has distilled all that experience and knowledge into this ebook to help you discover, in the most pleasurable way, which resort is your perfect choice.

When it comes to Maldives island resorts, visitors are spoilt for choice. Read our definitive guide to the best luxury hotels in the Maldives. *Seven Holidays - Your Guide to Maldives Resorts & Holidays* Adrian Neville lived in the Maldives and writes the definitive guide book: *Resorts of Maldives*. Located just south of the Indian subcontinent, the Maldives are a gorgeous chain. There are also plenty of private bungalows and resorts abutting the islands. Countless brochures present the magic of the Maldives - a garland of coral island atolls strewn in the Indian Ocean, dipping down to the equator.
