

## Separate Beds

Readers have long flocked to the works of LaVyrle Spencer, one of America's most cherished storytellers. From *The Fulfillment to Morning Glory* to *Then Came Heaven*, her touching, emotionally charged novels have examined love in all its forms. In *Separate Beds*, two attractive, headstrong people meet - and fireworks ensue. Catherine Anderson and Clay Forrester come from two completely different worlds, but one blind date leaves them forever linked. Clay, a handsome law student, and Catherine, a serious, bookish undergrad, experience an evening they will never forget. Fortified by the beauty of the night, as well as a bottle of wine, they share a night together. A few short months later, Catherine discovers she's pregnant. They agree to a marriage of convenience, an arrangement that suits them both - until they begin to fall in love. Moving and deeply affecting, *Separate Beds* is a celebration of the healing power of love.

Every night after my husband, Mark, and I put our three tsunamis to bed (at 2, 4, and You got it after almost 11 years of marriage, we sleep in separate beds. Rainer Maria Rilke protested that marriage has to be more than four legs in a bed, but, in modern marriages, even the marital bed is called into question. Many couples sleep in separate rooms, whether it is due to snoring, shift work or a variety of other reasons. So how does your sleeping Editorial Reviews. About the Author.
