

## Gale Force: 7 (Weather Warden)

Never off duty, that was me. Joanne Baldwin: Weather Warden - if a world-ending storm blew up without notice, I was the go-to girl. When Joannes Djinn lover, David, asks Joanne to marry him, shes thrilled to say yes, but there are certain parties - some human, some otherwise - who are less than enthusiastic. Joannes premarital bliss ends when a devastating earthquake hits Florida. And this time she wont be able to ask David and his kind for assistance. The cause of the quake is unlike anything Joanne has ever encountered - and it is fuelled by a power even the Djinn cannot perceive.
