

Lord of the Flies (Penguin Drop Caps)

From A to Z, the Penguin Drop Caps series collects 26 unique hardcovers featuring cover art by Jessica Hische. It all begins with a letter. Fall in love with Penguin Drop Caps, a new series of twenty-six collectible and hardcover editions, each with a type cover showcasing a gorgeously illustrated letter of the alphabet. In a design collaboration between Jessica Hische and Penguin Art Director Paul Buckley, the series features unique cover art by Hische, a superstar in the world of type design and illustration, whose work has appeared everywhere from Tiffany & Co. to Wes Anderson's recent film *Moonrise Kingdom* to Penguin's own bestsellers *Committed* and *Rules of Civility*. With exclusive designs that have never before appeared on Hische's hugely popular *Daily Drop Cap* blog, the Penguin Drop Caps series launches with six perennial favorites to give as elegant gifts, or to showcase on your own shelves. G is for Golding. At the dawn of the next world war, a plane crashes on an uncharted island, stranding a group of schoolboys. At first, with no adult supervision, their freedom is something to celebrate; this far from civilization the boys can do anything they want. Anything. They attempt to forge their own society, failing, however, in the face of terror, sin and evil. And as order collapses, as strange howls echo in the night, as terror begins its reign, the hope of adventure seems as far from reality as the hope of being rescued. Labeled a parable, an allegory, a myth, a morality tale, a parody, a political treatise, even a vision of the apocalypse, *Lord of the Flies* is perhaps our most memorable tale about the end of innocence, the darkness of man's heart.
