

# Kenya - Culture Smart! The Essential Guide to Customs & Culture

The spectacular Beijing Olympics of 2008 heralded China's arrival as an economic superpower. When the world plunged into economic crisis, in China, too, factories closed, but most unemployed workers simply made their way back to the countryside. The patience, diligence, enterprise, and natural optimism that are part of the Chinese character helped tide it over the setback. Since then social and economic development have been astonishing. Under Communist Party direction, the economy moved from export-led growth to home consumption. New mega-cities sprang up, peopled by a generation of city dwellers, light years away from their parents' rural world. Opinion is divided about the present economic slowdown. Either way, this is a country no one can ignore.
