

Penelope (Vintage Contemporaries)

When Penelope OShaunessy, an incoming freshman of average height and lank hair steps into Harvard Yard for the first time she has lots of advice from her mother: Dont be too enthusiastic, dont talk to people who seem to be getting annoyed, and for heavens sake, stop playing Tetris on your phone at parties. Penelope needs this advice. She is the kind of girl who passes through much of her life with coffee spilled on her white shirt, who cant quite tell when people are joking, and who, inevitably, always says the wrong thing. But no amount of coaching will prepare Penelope for the people she meets at school. Gloriously skewering the social hierarchy of college, Penelope is the brilliantly funny story of one of the most singular, memorable heroines in recent fiction.

Editorial Reviews. Review. Masterful . . . a near-perfect work of historical fiction. .. Penelope Morningstar 4.0 out of 5 stars Love in time of genocide.
