

## The Grim Steeper (A Teapot Collector Mystery Book 3)

The national bestselling author of *Shadow of a Spout* invites readers back to the Finger Lakes town of Gracious Grove for more tea and murder...Mid-October in the charming Finger Lakes town of Gracious Grove means its time for the annual Fall Fling Townwide Tea Party. The highlight of the festivities is a roaming tea-tasting, which includes a stop at Auntie Roses Victorian Tea House. Sophie Taylor would like to share her enjoyment of the event with her sort-of boyfriend, English teacher Jason Murphy, but Jason's dean has accused him of falsifying grades to help an athlete at the local college. Steamed and stressed, Jason shows up the night of the party with bags under his eyes. But the dean shows up under Sophie's Japanese Maple later that night, murdered, and now Jason is suspected of far worse than fudging grade reports. It's up to Sophie, her Nana, and their friends the Silver Spouts to pore over the clues to find out who really decided to teach the dean a lesson. From the Paperback edition.
