

The Slippage is a wry, wistful tale of marriage, lust, and disconnection from Ben Greenman, the critically acclaimed author of What He's Poised to Do. William Day must confront some uncomfortable truths about his life and his future when his wife Louisa asks him to build her house. The take-it-or-leave-it demand becomes all the more difficult to swallow when he finds himself grappling with a past recklessness, an ex-girlfriend's son he considers his own, and his own wants for what lies ahead. Sure to appeal to everyone who has ever been in love and had their heart broken, The Slippage shares uncanny truths about intimacy and modern relationships.
