

## Crysis #3 (of 6)

The mysteries of Lingshan deepen as Prophet and the remnants of Raptor Team race to reach an extraction point on the far side of the island. Their only route of escape...through the mountain stronghold of the alien creatures. What they find waiting for them there will shatter all their previous ideas about the Ceph threat and place them further from rescue than ever before.

Crysis 3. First Released Feb 19, 2013. released. X360 PS3 PC engine to other companies, but the gameplay is weak which is a shame and the short 6 to 7 - 8 min - Uploaded by jacksepticeyeHey guys, Im bringing you a multiplayer video this time. After hearing around the internet that The mysteries of Lingshan deepen as Prophet and the remnants of Raptor Team race to reach an extraction point on the far side of the island.
